

How to look after your dog

Dogs need:

- * to be fed every day
- * to have clean drinking water nearby at ALL times
- * somewhere shady and cool to go when it's hot
- * to come inside the house or have a warm laundry or kennel to sleep in when it's cold
- * to go to the vet when they are not well
- * to be microchipped and desexed
- * to wear a collar with dog's name and your phone number. (make sure collar is not too tight. You should be able to fit two fingers underneath)

Tell your dog you love him or her every day.

If a dog is never patted, taken for walks or played with, how do you think he/she would feel?
Discuss this with the person next to you.
